Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 21 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers ease this evening. A drier day Sunday.

This Evening and Tonight:
Any remaining heavy and thundery showers will clear eastwards through the evening and early hours. A dry night then follows with variable cloud and some clear spells. Feeling muggy. Minimum temperature 13 deg C (55 deg F).

Sunday:
A drier day than Saturday, but still a scattering of showers around, sometimes heavy. These fade through the afternoon leaving more frequent sunny spells. Feeling warm in the sunshine. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
A much more settled spell of weather to start the week. Fine and dry weather for most, feeling warmer as a result. Still chance of some isolated showers at first.
